JOHN E. BRADLEY STATE REPRESENTATIVE • 117TH DISTRICT

July 8, 2008

Kal Lester
6200 Joliet Road
Countryside, IL 60525

Dear Mr. Lester:

I am writing this letter to give my full support and recommendation to a comprehensive Responsible Bidder Ordinance for all public construction projects in your community.

Responsible Bidder Ordinances provide assurances that contractors have the proper business registrations, show past compliance with environmental, labor and safety laws, relevant insurance coverage, prevailing wage compliance and training participation can go a long way in assuring the financial and structural success of all public construction projects.

Additionally, the responsible contractor is going to provide more taxpayer value than the contractor who is cutting corners in the areas of training, labor or safety.

Once again, please consider this letter as a demonstration of my full support for a comprehensive Responsible Bidder Ordinance. If I can be of any further service, please feel free to contact me at 501 W. De Young Street, Marion, IL 62959.

Sincerely,

A handwritten signature in cursive script that reads "John E. Bradley".
